Doris Vargas

**The Extraordinary Gift of Forgiveness
... releasing the shackles that bind**

Saturday, February 15th 10am

Every day Doris connects with clients worldwide who feel unable to move forward. As the founder of Angel Healing Touch and as a Guatemalan Shaman, born and raised in Guatemala City, Doris sees how these 'shackles' can not only keep us from moving forward in our lives, but take a toll, sometimes a very serious toll, on our bodies and our psyches. Sometimes these 'stuck' places come through our lineage and other times the situations are created in this current lifetime. Join us to experience Doris' love and honoring of our brilliant wholeness. Experience the freedom of release from the heaviness of blame and anger. The angels will be assisting everyone present to 'lighten their load of damaging burden' making room for wondrous new light to come in. Everyone present will be guided to reconnect to their radiant hearts and brilliance of Being by utilizing universal principles and tools to lead joyous, abundant and peaceful lives. Doris resides with her husband in Rhode Island. www.AngelHealingTime.com 401.569.2220 angelhealingtime@gmail.com
